

# **2<sup>nd</sup> IGOPSS**

**2<sup>nd</sup> International Government and Politics Summer School**

**Zoom Platform, 02-13 August 2021**

**Theme:**

**“Government and Social System in a Multi-ethnics  
Country: An Indonesian Experience”**

**Organized by:**

**International Program of Government Affairs and Administration  
Universitas Muhammadiyah Yogyakarta  
2021**

## **Program at a Glance**

Experience the warm and kind ambience in one of the well-known city as the students and tourism in Java Island, Yogyakarta. Laid in the center-southern part of Java Island, the region offers rich traditional and spiritual energy. Yogyakarta is accessible to few beautiful beaches, Merapi volcano, and numerous temples as the most important cultural heritage in Indonesia. Thus, Yogyakarta is famous to tourists and well-known as the Students' City.

The program invites students all around the world to join a couple-week program to deeply understand Indonesian government and political system. Moreover, this activity will equip participants to learn by a perspective of democracy in the Muslim world. As the biggest Muslim country in the world, Indonesia has been facing numerous challenges in running democracy at the same time dealing with various issues in local and national level. Throughout the classes and visits, participants are wished to be introduced to Indonesian unique cases. However, the issue is not limited to government entity, but also to collect perspective from civil society, private sectors and even the religion-based organizations.

## **Program Features**

Within two-week program, participants will be exposed to in-class meeting and discussion, NGO visits, cultural and art activities, and bonding time. The program required averagely four-hour in-class per day, up to three visits per week, and cultural and art excursion during the weekend. Aside from the schedule, participants are allowed to explore the city in free time session that accompanied of buddies made of UMY students. During your two-week program, you will be encouraged to be active in a group discussions and meetings. As an international participant, you will enjoy the new learning scenario and how to solve a problem based on new issues and direct cases.
